EXPERIENCE

Department of Information and Communications Technology (DICT) Region V – Sorsogon **January 2026 - April 2026**

Support Staff Intern *Capitol Compound, SNGC Building, Sorsogon City*

- Delivered stable internet connectivity during government programs and community events, ensuring uninterrupted access for participants.
- Configured and troubleshot network equipment and internet services, improving system reliability and minimizing connectivity interruptions during operations.
- Installed and maintained wireless connectivity solutions, including access points and Starlink systems, enabling wider and more stable network coverage in assigned areas.
- Facilitated user assistance for digital government services and account registration, supporting citizens in accessing essential online platforms and e-services.
- Prepared technical reports and documentation and participated in field operations, ensuring accurate records and coordinated deployment of ICT support across multiple locations in Sorsogon.
